Presentation of Portrait.

The W. C. T. U. of Jefferson, Texas, presented the public school with a portrait of Miss Willard on her birthday, September 28th. The exercises were very appropriate. The W. C. T. U. choir sang two songs and the children of the L. T. L. another. Rev. T. J. Preston led in prayer. The sketch of Miss Willard's life by pupils of the school was well rendered. Mrs. Woodson read a beautiful paper, presenting the picture. She eulogized Miss Willard in her labors, and held her up as a model for the girls of our nation. Prof. Kennedy, superintendent of the public school, accepted the picture in the name of the school. He said that as the boys and girls of our town looked upon her face they find help and inspiration to fight the battles of life in the years to come. The weather was very inclement, and it is to be regretted that so few were present.
